

Members in waiting

C. Applications received during summer meeting break. Applications received between May 1 and August 31 will be processed by the membership committee. The membership committee will interview the prospective member **along with the applicants sponsors** and if the committee deems appropriate initiate a “flag member in waiting” status for the applicant. Membership will collect the **annual fee** and **non-refundable annual dues**. . The membership committee will arrange for a key card to be presented to the applicant. The flag member in waiting will have access and use of SYCC facilities. A flag member in waiting may request a temporary slip assignment at one of the basins, and request a permanent slip via the applicable cost share application process. The applicant will be presented to the board at the next regularly scheduled board meeting **to continue the regular membership process**.

Remove “along with the applicants sponsors”- Reason for proposed change; the sponsors must still appear with applicant at the next board meeting and membership meeting. Removing this section brings the sponsors responsibility in line with the regular membership process.

Change “annual fee” to application fee. Reason for change; changing annual fee to application fee makes the language the same as used on the application.

Add “to continue the regular membership process” at the end of the paragraph. Reason for change: To clarify the regular membership process will continue once the summer meeting break is over.

Bylaw with proposed changes add:
