Applicants need to be sponsored by two voting members, both of whom must be in good standing. An applicant's qualifications must be spoken for by one of the applicant's sponsors. In the absence of the sponsors, the proposed member cannot be voted upon at that meeting. With the absence of either sponsor for two regular meetings, the applicant's application must be resubmitted. The first year of membership is as Flag status. Sponsors should be mentors for Flag members, responsible for introducing them at club functions until the Flags attain active status. Flag members are non-voting members who will share the rights, privileges and responsibilities of the club. They cannot hold elected or appointed offices but will be appointed to serve on a committee. Flag members are not entitled to distribution of the assets, if any, in the event of dissolution of the club. After their first anniversary and a favorable interview with the Board, the Flag member will be eligible for Active membership status. Active status is voted on at the next regular meeting following the Board interview. Failure to appear for the interview shall result in the lapse of membership.

I have read and understand the bylaws pertaining to new members and would like to apply for membership. I have completed the membership application and included the non-refundable application fee of \$25.00.
